Genre: Action, Casual, Indie
Developer:
nlfastudio
Publisher:
nlfastudio
Release Date: 22 Dec, 2016

a09c17d780

English

LEAP UP

NO JUTSU

Basic AF, Annoying, Hard, Fun, Addictive. 7/10. Pretty good mobile port.

But that really is all it is.

Press space to jump and dodge arrows.

That's all there is to it.

Probably worth the price of admission, but then it is only a dollar.

<https://www.youtube.com/watch?v=eeH11pV89H4>. It so pretty.
